

PROCEDURES FOR BREAKING TIES

At the conclusion of a pool, the pool finish positions of the teams are determined by their pool match records.

- If there is a tie in match record among 2 or more teams in the pool, tie(s) will be resolved using the GJNC National Tie Break Rules.
- Even in 3 team pools where all 3 sets are required to be played, match record - not set record - will determine a team's finish in the pool.

TWO-WAY TIES: 2 teams tied in match record

There will be *no* tie breaker sets.

- The first place team will be the team that won the pool play match between the 2 tied teams (head-to-head).
 - This is the procedure for *all two-way ties*, even when one team might still win a bid; the tied teams have already determined the better team through head-to-head competition.

THREE-WAY TIES: Where no team can advance to win a bid or advance to the highest division

There will be *no* tie breaker sets. Ties among teams will be resolved as follows:

If 3 or more teams are tied in match record, the ties are broken by applying the following steps, in order, without repeating any step. ***Head-to-Head results will not be used at any time in breaking a three-way tie:***

- Determine each team's set percentage (divide each team's total sets won in the pool by the total sets played). The team with the highest set percentage is first.
- If some or all of the teams have the same set percentage, then determine the point percentage of the teams that are still tied (divide each team's total points scored by the total points scored by all the team's opponents in that pool).
 - Of the teams still tied, the team with the highest point percentage has the next highest finish in the pool (finishes either first or second, depending on the outcome of the set percentage).
- If two or more teams are still tied:
 - Coin toss.

THREE-WAY TIES: Where 1 or more teams may advance to win a bid or advance to the highest division

There are several scenarios in which three-way ties can occur. The resolution for each tie breaker scenario depends on both the number of teams that can advance to win a bid from the pool, AND which pool finish position is at stake for the tied teams.

SEEDING TIE BREAKER SETS

The seeds for teams tied in match record involved in the tie breaker sets are determined by:

- Set percentage: The total number of sets played in the pool (sets won divided by total sets played).
 - The team with the highest set percentage is seeded first.

If the teams are still tied:

- Point percentage: Each team's total points scored divided by the total points scored by the team's opponents in that pool.
 - The team with the highest point percentage is seeded first.

If the teams are still tied:

- Coin toss.

PLAYING TIE BREAKER SETS

Scenario One

No. Teams Advancing	Pool Finish	Applications
1	First place	4-team pools: All teams have 2-1 match records 3-team pools: All teams have 1-1 match records

- All three teams will participate in tie breaker sets.
- Set 1: the #2 seed will play the #3 seed, and the #1 seed will officiate. The loser of Set 1 will be third place in the pool and will officiate the next tie breaker set.
- Set 2: the winner of Set 1 will play the #1 seed and the loser of Set 1 will officiate. The winner of Set 2 will be first in the pool and the loser will be second.

If, for any reason, one of the tied teams is unavailable for the resolution of the tie at the time the court official is ready to proceed, that team will automatically become the third place team and the other two teams will play one tie breaker set.

Scenario Two

No. Teams Advancing	Pool Finish	Applications
2	First place	4-team pools: All teams have 2-1 match records 3-team pools: All teams have 1-1 match records

- The #1 seed does not have a playoff set. The #1 seed finishes first in the pool.
- The #2 seed will play the #3 seed and the #1 seed will officiate. The winner will be second place in the pool and the loser of this set will be third place in the pool.

If, for any reason, one of the tied teams is unavailable for the resolution of the tie at the time the court official is ready to proceed, that team will be ranked third in the pool. The remaining teams will finish first and second in the pool based on the tie breaker seeding process. No other penalty will be applied and no tie breaker set is played.

Scenario Three

No. Teams Advancing	Pool Finish	Applications
2	Second place	4-team pools: All teams have 1-2 match records

- All three teams will participate in tie breaker Sets.
- Set 1: the #2 seed will play the #3 seed and the #1 seed will officiate. The loser of Set 1 will be fourth place in the pool and will officiate the next tie breaker set.
- Set 2: the winner of Set 1 will play the #1 seed and the loser of Set 1 will officiate. The winner of Set 2 will be first in the pool and the loser will be third.

If, for any reason, one of the tied teams is unavailable for the resolution of the tie at the time the court official is ready to proceed, that team will automatically become the fourth place team. The other two teams will play one tie breaker set.

Scenario Four

No. Teams Advancing	Pool Finish	Applications
3	Second place	4-team pools: All teams have 1-2 match records

- The #1 seed does not have a playoff set. The #1 seed finishes second in the pool.
- The #2 seed will play the #3 seed and the #1 seed will officiate. The winner will be third place in the pool and the loser of this set will be fourth place in the pool.

If, for any reason, one of the tied teams is unavailable for the resolution of the tie at the time the court official is ready to proceed, that team will be ranked fourth in the pool. The remaining two teams will finish second and third in the pool based on the tie breaker seeding process. No other penalty will be applied and no tie breaker set is played.

FORMAT FOR TIE BREAKER SETS

- Tie break sets are played to 25 points with one team winning by two points, no cap.
- Teams will switch sides at 13 points.

PENALTIES FOR MISSED TIE BREAKER SETS

It is the responsibility of a team's coach to know if there is a potential tie in pool play finish and to have his/her team available courtside for tie breaker sets as soon as the last match of the pool is finished.

All teams must remain courtside for the duration of any necessary tie breaker sets regardless of whether the team is scheduled to compete or officiate. Play of tie breaker sets will not be delayed in order to locate a team or provide time for a team to return to the court.

In a three-way tie, where one or more teams is not at courtside at the finish of the last match of the pool, the teams remaining will play for position, if necessary.

- The team(s) that left will finish lower than the team(s) that remained.
- The position of the team(s) that left will be determined following the tie break procedure as it pertains to the pool and advancing positions available.
- There are no other penalties for a team that is not present for tie breaking sets.
